

SONS of LIBERTY

Fronted by the exuberant Rob Cooksley (Vocals), a twin guitar attack in Fred Hale & Andy 'Moose' Muse with a powerhouse rhythm section in Mark Thomas (Bass) and Steve Byrne (Drums), **Sons of Liberty** are **the UK's own Hard Southern Rock Band**.... a group of well-travelled musicians from Bristol and South Wales. The boys were drawn together by a shared love of the incredible music of the Southern States of America.... and their desire to share this with the people of the UK; an energetic band that delivers an authentic and fresh show based on professional musical ability
