

SONS of LIBERTY

Sons of Liberty are the UK's own **Hard Southern Rock Band**.... a group of well-travelled musicians based in Bristol. The boys were drawn together by a shared love of the incredible music of the Southern States of America.... and their desire to share this with the people of the UK; an energetic band that delivers an authentic and fresh show based on professional musical ability

Sons of Liberty are Fred Hale and Andy Muse (Guitars), Mark Thomas (Bass) and Steve Byrne (Drums) with Rob Walker of Yesterday's Gone stepping in on the microphone for our 2022 live shows.

The band released their debut recording ...Shinola EP in 2018.... 5 tracks of home-grown hard-hitting southern rock 'n' roll.... There was plenty more in the tank too! The follow up Aged in Oak was released in September the same year, stepping things up a notch and featuring the single 'Damned If You Do'.... the band were voted 2020 #4 band of The Year by the New Wave Of Classic Rock fan group and are featured on the The Official New Wave Of Classic Rock - Volume 1 'rising stars' CD with Massive Wagons, Phil Campbell and the Bastard Sons and Mason Hill

2019 saw the band writing and recording their first full LP Animism - which was released on October 25th - 11 tracks of pure Awesomism!

2021 saw the band release their finest work yet – Aces & Eights

(NWOCR fan vote #9 Band of The Year 2021, Rockposer #1 Album of the Year 2021, NWOCR admins. #5 Album of the Year 2021, NWOCR fan vote #6 Album of the Year 2021)

– produced and engineered by Josiah J Manning, the band have pulled no punches with their sophomore album, featuring singles Don't Hide Behind Your Weakness (Classic Rock Magazine 'Tracks of the Week'), Ruby Starr (Classic Rock Magazine 'Tracks of the Week'), Damaged Reputation (as play-listed on Planet Rock Radio) and Fire & Gasoline ('Track of The Week' on Planet Rock Radio) the album was released on June 18th

The Sons are performing regularly at shows and festivals across the UK and in Europe, after building their reputation for delivering blistering live rock shows. They are featured on many 'ones to watch' lists and have been booked for some great festivals such as:

Giants of Rock, Planet Rockstock, Planet Rock Winter's End, Rock and Blues Custom Show, Rockin The Bowl, RockForce, SOS, Cambridge Rock Festival, WinterStorm, Cornwall Rocks, Whitby Rocks, Breaking Bands, Wildfire, Sharkfest, SavFest, Southern Uprising, Hard Rock Hell, HRH NWOCR and HRH CROWS; as well as headline shows at some of the most iconic rock venues in the UK. 2022 also sees the Sons return to France for Raismes Fest.

The band are busy crafting new music for their third album and are putting that 40 years vintage rock'n'roll thing into the experience.... and its shaping up to be something very, very special indeed... all will be revealed in 2023
