The band from Bristol have established themselves as one of the most popular live and recording bands on the current original hard rock scene. With a reputation built on a solid foundation of extensive live touring, blistering live performances and a passion for creating exceptional new rock music the bands trajectory continues to be extraordinary. These boys uniquely manage to mix a lot of fun and humility with a deep appreciation for their audience and a deadly serious commitment to creating authentic, well crafted music.

Sons of Liberty are Russ Grimmatt (Vocals), Fred Hale and Andy Muse (Guitars), Mark Thomas (Bass) and Steve Byrne (Drums).

Their third album 'The Detail Is In The Devil' was released on Feb 23rd 2024. Elevating the band to **Classic Rock Magazine's 'Hot List' 2024**. Including the hit lead single 'Time To Fly', which has already achieved #2 in Classic Rock Magazine's 'Tracks of the Week' feature and #1 most played song on HRH Radio, and the follow up hit singles 'Turn This Tide' and 'Light The Fuse' heralding the new 11 track album, which was again produced and engineered by Josiah J Manning, taking things up a few steps.

2021's 'Aces & Eights' album featured the singles Don't Hide Behind Your Weakness (Classic Rock Magazine 'Tracks of the Week'), Ruby Starr (Classic Rock Magazine 'Tracks of the Week'), Damaged Reputation (as play-listed on Planet Rock Radio) and Fire & Gasoline ('Track of The Week' on Planet Rock Radio) and also featured on the UK official top 10 charting Official New Wave Of Classic Rock - Volume 1 'rising stars' CD

Their first album 'Animism' was released in 2020 featuring the single 'Damned If You Do'.... with the band being voted 2020 #4 band of The Year by the New Wave Of Classic Rock fan group.

WHAT THEY ARE SAYING ABOUT THE DETAIL IS IN THE DEVIL

“THIS IS THE ALBUM OF THE YEAR”

Rock Radio UK Magazine

“...the band power through 11 barnstorming tracks like their lives depend on it.... High impact rock'n'roll, plain and simple” - Essi Berelian

Classic Rock Magazine

“It’s all about camaraderie – the sense of community among those of us bonded by Rock’n’Roll – on this catchy, distorted marriage of beefcake southern rock and bike swagger”

Classic Rock Magazine ‘Hot List’ 2024

“an absolutely killer collection that sounds like a million dollars and stands eye to eye not just with the best of British, but anything the US can offer right now. Don’t miss it.” ★★★★★ - John Atkin

Rock’n’Reel Magazine

“This album not only contends for the title of the best UK/European southern rock album of 2024, but has the potential to be the best anywhere!” - Rock’n’Roll Preacher

Voodoo Radio Online

“Fist-pumping anthems, whiskey-drenched slow burners, affecting ballads and stadium-ready singalongs: this refreshing example of the NWOCR’s burgeoning scene has it all” – Simon Rushworth

Rush on Rock

“it is absolutely mesmerising. We are only in January, and unless something truly extraordinary happens, ‘The Detail Is In The Devil’ looks set to be my album of 2024.” - Chris O’Connor

Rockposer.com

“A gargantuan release that is energetic, memorable and straight to the point.” – Taf Rock

Metal Planet Music

“The Detail May Be In The Devil, but the overall effect is hellishly good. 9/10” - Steve Swift

Power Play Magazine

“ I feel it is album of the year '24. Good albums come out by various people, but an album that comes out from an established artist which is so different and at the same time, light years ahead of where they were, HAS to be an outstanding piece of work.” - Dave Ford

Rock Radio UK

“Shed loads of power and energy without snuffing out melody and harmonies. This is a class act and a quality rock album.” ★★★★★- Christopher Weston

Music Republic Magazine

“From a raucous opening right the way through to an overly satisfying ending, Sons of Liberty are back with a belter of an album made up of eleven tracks of pure rock delight” Bea Burrige

Emerging Rock Bands

“far as I’m concerned. All in all this is a great record and a big step up for this band. Watch them fly this year, the future is bright for these boys mark my words.” – Graeme Wright

Jace Media

“Sons Of Liberty are a tremendous band, there’s absolutely no denying it, and it certainly sounds as if some of these tracks will have ‘live classic’ stamped on them from the moment they bed into their set. Good stuff indeed!” – Steve

Pilkington

Velvet Thunder

“ ‘The Detail is in the Devil’ is going to find its way in to your daily life and give you exactly what you need to get through the day” - Martin Hutchinson

Eighth Day Magazine

“life-affirming qualities of cuts like ‘Love What You Got’ that they should really be prescribed on the NHS”
